Lions

Your local Lions Club is looking to reward a student who best reflects the character and philosophy that the Lions are known for. To honour and celebrate the leadership and service of youth in our community, we have created the Lions Legacy Scholarship

If you are known for your spirit of volunteerism at school and you will be graduating this fall you could be a winner!

Just fill out an application form telling us why you deserve to Learn with the Lions. You must confirm you are attending or will be attending a recognized educational institution, e.g. tuition receipt.

For Information and Application forms, contact:

Lions Legacy Scholarship

Celebrating Youth In Service
